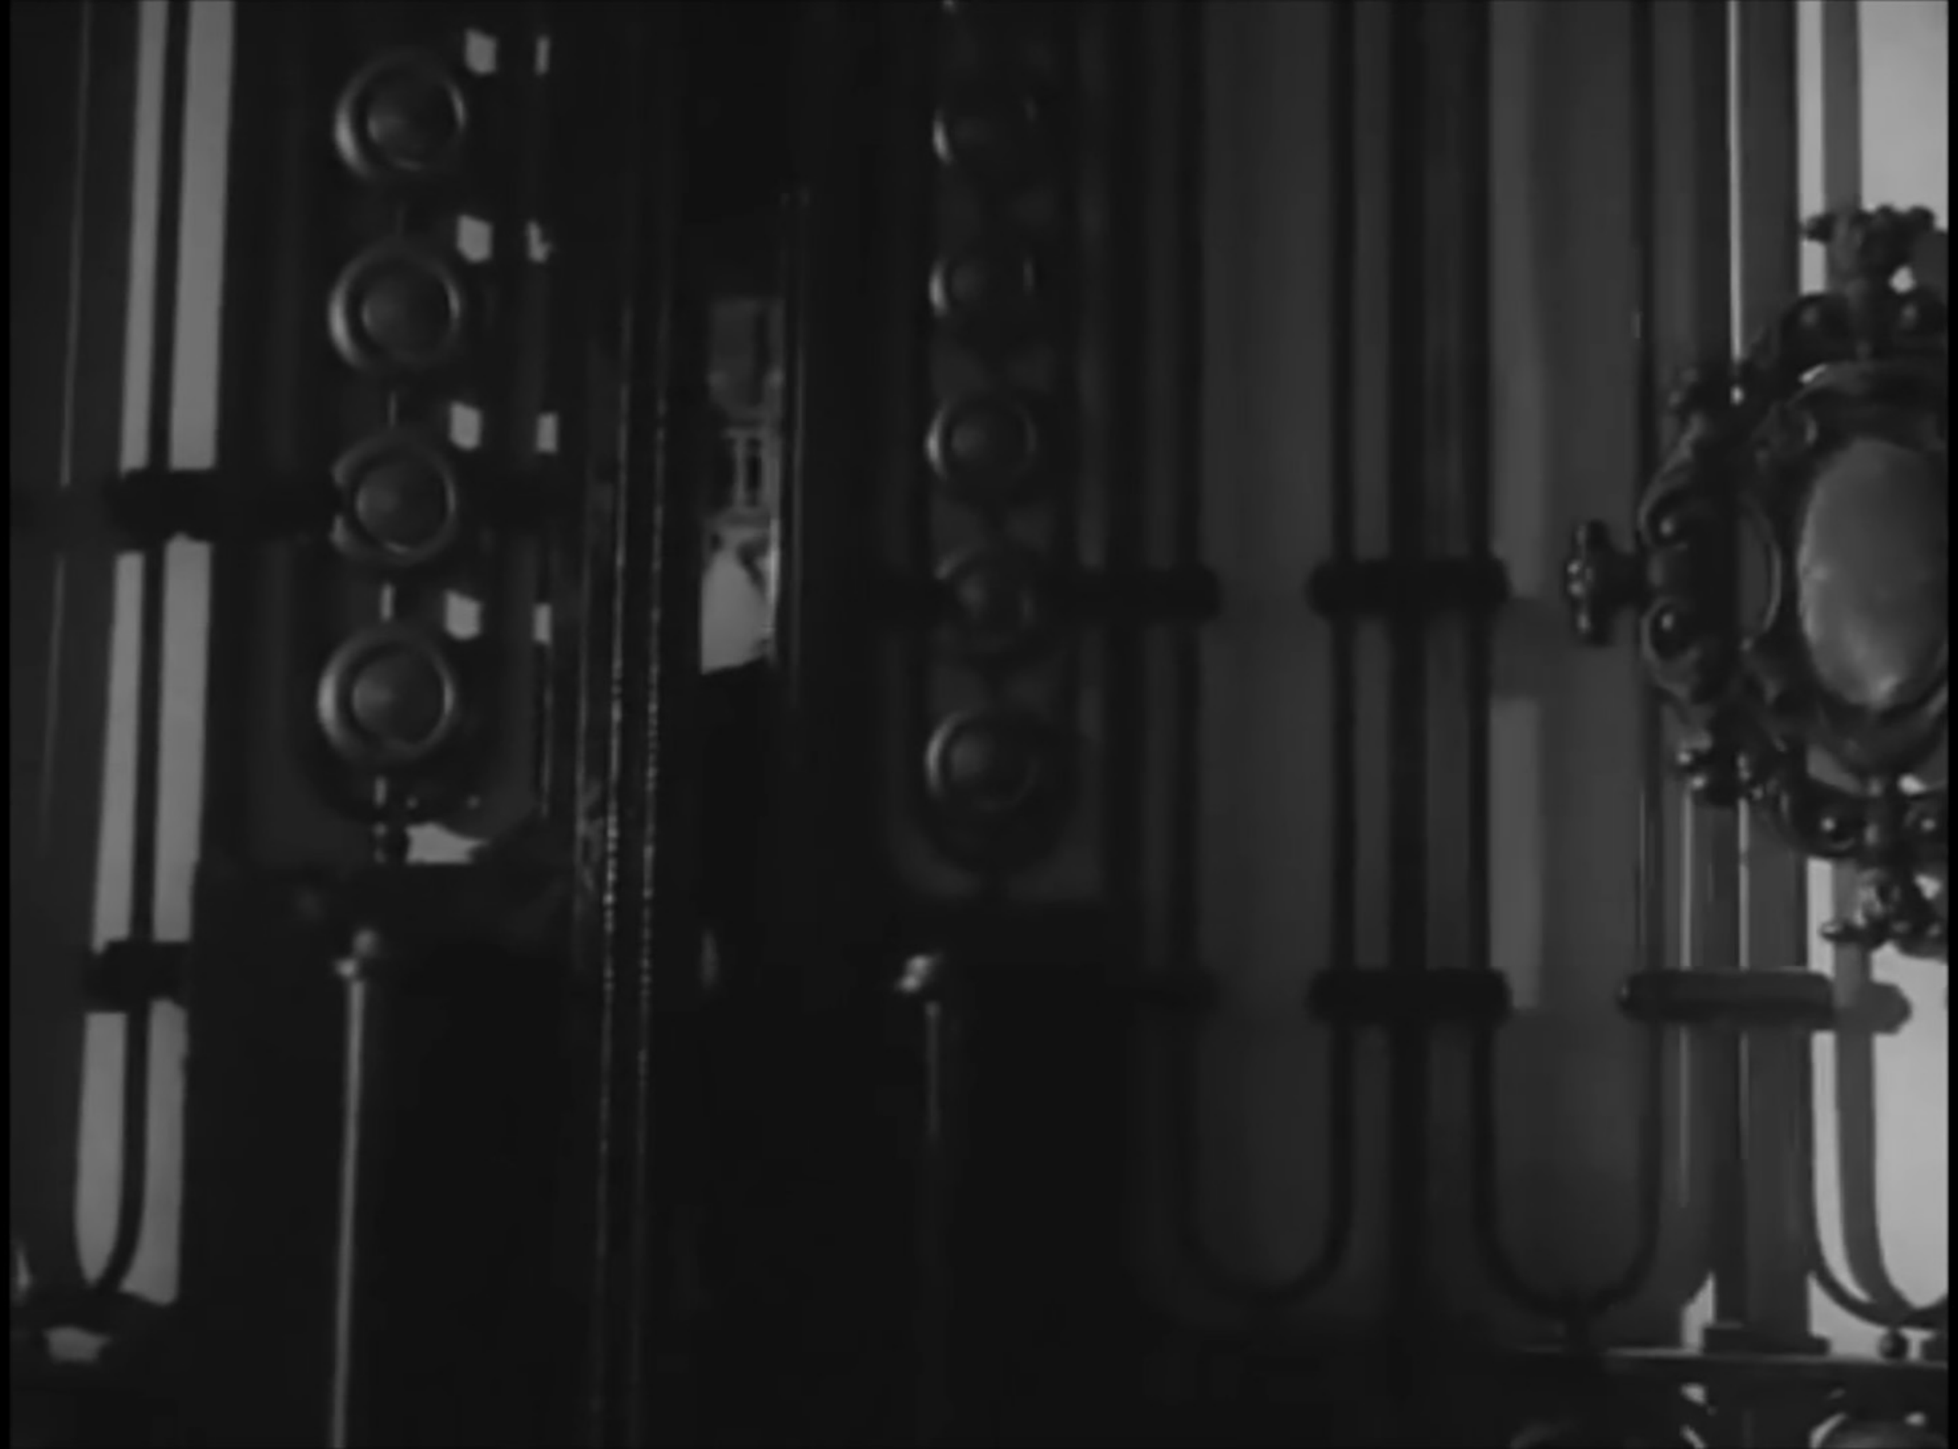
UTAH'S HOME



Ceci est l'histoire d'un homme
marqué par une image d'enfance.

La scène qui le troubla par sa violence, et dont il ne devait comprendre que beaucoup plus tard la signification, eut lieu sur la grande Jetée d'Orly quelques années avant le début de la Troisième Guerre Mondiale.

Nous sommes venus pour te préparer
à la mort !

Dieu sait où il nous mène,
nous ne comprenons la route
qu'au terme de notre chemin !

Et la grande victoire ?

La mort !

La mort.
